

## PRESS RELEASE ON SCIENCE DAY

### *Theme – Year of Chemistry*

Directorate of Mushroom Research, Chambaghat, Solan celebrated the National Science Day on 28<sup>th</sup> February, 2011 with great enthusiasm. About 500 students from various schools namely St. Lukes Senior Secondary School, Solan, M.R. D.A.V. Senior Secondary School, Solan and Gurukul International School, Solan visited the Directorate. On farm visit was conducted for the students to make them aware about the cultivation technology of various mushrooms. A Seminar was also organized in which

two presentations were made by DMR Scientists on mushroom biodiversity and medicinal and nutritional value of mushrooms. A film on Global warming was also shown to the students.
