

## **Three Months Hands on training on Mushroom Cultivation technology**

High-tech agriculture including mechanized mushroom cultivation under controlled conditions is going to gain importance in coming decades. Mushroom production in the world has increased rapidly in the last few decades and the trend has picked-up in our country as well. Mushroom cultivation is a labour intensive activity and can provide ample employment opportunity. There is immense need for skilled man power in the country and its availability is becoming crucial in mushroom industry as well. Keeping in view the challenges related to skilled man power, ICAR-DMR is going to initiate a three months Hands on Training in Mushroom Cultivation technology.

**About the training:** The Trainees will be completely trained in all aspects of mushroom cultivation e.g. Spawn production, Compost preparation, Casing and crop management, farm management, farm design and post-harvest technology of Button Mushroom, Oyster Mushroom, Milky Mushroom, Paddy straw Mushroom and Shiitake Mushroom. The training is fully practical oriented hence trainees are required to perform every activity by themselves.

**How to apply:** Write an application and send it by post or by email on the following address:

The Director,

ICAR- Directorate of Mushroom Research, Chambaghat, Solan (HP) 173213.

Email: [directordmr@gmail.com](mailto:directordmr@gmail.com), [totdmrsolan@gmail.com](mailto:totdmrsolan@gmail.com)

The selected candidates will be informed through email to send the fees through demand draft. No other mode of payment is allowed.

**Demand draft should be drawn in favour of ICAR-UNIT NRCM, payable at SBI, Solan (H.P).,**

Only after receiving the confirmation mail you have to make the demand draft and send it by post on the above address.

**Qualification : 12<sup>th</sup> Class**

**Age:** 18 and above

**Seats:** Number of seats are limited (maximum 10) Seats will be allotted on first come first serve basis.

**Registration fee:** Rs. 10,000/- which only includes training material and training charges. It does not include the cost of travel, stay and food etc. Fee is non-refundable and non-transferable either to other person's name or training programme.

**Accommodation:** ICAR-DMR, Solan will be providing accommodation for the stay for one week only in the ICAR-DMR farmer's hostel @ Rs. 50/per candidate/per day. After one week trainees will have to arrange their own accommodation. However they can avail canteen facility.

**Terms and Conditions:**

- Trainees are required to maintain the discipline and punctuality.
- The Director and In-Charge extension reserves the right either to reject or accept the applications as per the research and extension plans.
- The decision of the ICAR-DMR, Solan will be binding on the trainees and no correspondence will be entertained in this regard.

For all communications email to [totdmrsolan@gmail.com](mailto:totdmrsolan@gmail.com)
